Tradition Updates & Reminders-

- **Pool Reopening**-Starting Thursday, April 30th Tradition will be reopening the pool for Tradition residents only. Social activities are still restricted therefore only one resident can be in the pool at a time. In order to sign up for the pool, residents will need to call the front desk. Residents may sign up for a one hour time block Monday-Friday, 8:30am-4:00pm through the front desk. The resident must go to the front desk at the start of their pool time and they will have to be let into the pool area by staff as it will be kept locked at all times. Per Palm Beach County the locker rooms and shower areas are still restricted therefore residents will be required to return to their apartments to change and shower. Please wear an appropriate cover up while traveling to and from the pool area.
- **Lifting Campus Restrictions**-We want to thank everyone for being compliant and patient during these tough and unprecedented times. As we start to see other activities and businesses in our county reopen we want to remind everyone that MorseLife is a Healthcare campus and may have restrictions in place longer than others. We do NOT want to open the flood gates after everyone's hard sacrifices and efforts and possibly compromise our population to this virus. Governor DeSantis stated stricter guidelines may be required for South Florida and healthcare facilities because of the high percentage of cases in our area. Palm Beach, Broward, and Miami-Dade Counties account for 60% of the impact statewide. We want to thank you in advance for continuing to remain patient.
- **Face Covering**-CDC still recommends that all residents wear a face covering. We ask residents to wear face coverings when they come out of their rooms or leave campus for a doctor appointment. Unfortunately we do not have enough medical masks to issue to every resident. We have had some non-medical grade, cotton masks donated to us for residents that have no face covering available. To request one please contact Resident Services at 209-6114.
- **Flower Grams**-On Friday all of the flower grams will be delivered to residents between 12:30-2:30pm. Staff will knock on apartment doors, if there is no answer the flower gram will be left on the apartment door. Thanks to everyone whom participated!
- **Shabbat Services New Number**-Services again will be available to resident to dial in from their apartment land lines at the below numbers:
